ABOUT

Water Lilly

LOCATION

Fort Lauderdale, Florida, United States

Water Lilly is one of four of the Horizon FD92 series, the first of the FD series with the Tri-Deck design, allowing for an enclosed skylounge on the upper deck and an open flybridge on the tri-deck. Her LOA comes in at 94', but she has a gross tonnage of 198 (GT ITC), displaying enormous volume in a modern and elegant spacious layout that you would find in much larger vessels.

The Main Deck has spacious custom aft deck seating, a comfortable main salon (with a day head), an open dining area, an open galley (that can be separated with a hi/lo screen and side doors) and an impressive on deck king master forward, with his/her ensuite.

The Lower Deck forward has a queen VIP, a twin guest room to port (with one twin that slides to the other) and two identical opposing VIP queens aft, all ensuite. Continuing further aft is the engine room and the captain and crew cabins. The captain's cabin is ensuite and the two crew bunkrooms share a separate head. Finally, you end up at a comfortable Beach Club with a garage door that opens aft to the large hydraulic swim platform.

The Upper Deck, forward of the bridge, has u-shaped seating with two opposing tables, sun pads and storage. Mid ship is enclosed, with the pilothouse (main station) shared with the comfortable skylounge (with day head). Aft of the skylounge you step out to the boat deck. To starboard is a full bar with stools. Further aft to port is a hi/lo propane BBQ in an FRP cabinet. Aft of the bar is a wide-open deck with a Steelhead davit to starboard. This deck can double as storage for jet skis and/or a lounging area.

The Tri-Deck is accessed from the boat deck. There is a radar arch with a hard top that provides shade and protection over the aft L-shaped seat and table. Forward of the hardtop is a bench seat with a sun pad to port and a second helm to starboard.

The Horizon FD series are known for offering volume. Water Lilly does not disappoint. She makes a great boat for those with extended families or those wanting to charter, with five comfortable staterooms and many diverse social areas. The boat deck, on the upper deck, and the large swim/dingy platform can handle the toys for enjoyment while at anchor. She has a lot to offer in a 94' motor yacht!

Full specifications
