ABOUT

Reverie

LOCATION

Long Beach, California, United States

REVERIE is a one-of-a-kind custom 98' Horizon Tri-Deck, offered for the first time by her original owner, who uniquely served as the engineer of record for Horizon during her construction. She is exceptionally well equipped, featuring an ASEA shore power converter that allows compatibility with any power source, a large inverter bank for quiet nights at anchor, bow and stern thrusters, a diesel heater, passarelle, and two davits. With low engine hours (under 1,000 on the mains), REVERIE is an excellent platform for cruising in both warm and cold climates and represents a remarkable opportunity in this size range.
