GENERAL DESCRIPTION

This Hydrasports Seahorse 23 is a versatile and well-built center console, perfect for both fishing and family fun on the water.

ACTUAL CONDITION

This 23' Hydrasports Seahorse is a family-friendly center console built for fishing. Repowered with a 2018 Evinrude E-TEC 200 H.O. (2-stroke), she's got 928 hours and plenty of adventure left in her. With Kevlar stringers, high gunnels, and sturdy rails, she's both tough and kid-safe.

Equipped with a Simrad Go9 display and 2023 Halo 20 Radar, this boat is ready to navigate confidently. The 30-gallon live well, 109-gallon fuel tank, and 3-gallon XD100 oil tank make it ideal for full days on the water. Other additions include 360 degrees deck lights, shore power hookup with 2-bank battery chargers, and a large portapotty for longer outings.

Also included is a boat cover and a 2005 5-Star trailer. While the trailer does not have brakes, it's in solid shape.

The owners have upgraded to a larger boat, but they've taken great care of this one and will surely miss her.
