ABOUT

Invincible 46 Catamaran

This 2022 Invincible 46 CATAMARAN is the kind of boat that turns a Saturday into a story. Powered by quad Mercury 450R V8 four-stroke outboards, she's built for serious offshore performance without sacrificing comfort, and her white fiberglass twin-hull design cuts through chop with the kind of stability catamaran fans swear by. Up top, the elevated second station with its overhead sunshade gives you a captain's-eye view of the water, while dual Garmin large-format multifunction displays, a Garmin marine navigation system, Garmin VHF radio, and a Garmin xHD2 open-array radar keep you dialed in no matter where the day takes you.

Point the bow out of Destin Harbor or Fort Walton Beach Yacht Basin and the options start to shine. Running through East Pass with the jetties on either side, the tower-mounted outriggers, stainless-steel gunwale rod holders, and overhead rocket launcher storage mean you're rigged and ready the moment fish start showing around the pass. Insulated fish boxes and integrated tackle storage keep the day organized, so whether you're working the Mid-Bay Bridge pylons for redfish or drifting near one of the 580-plus sites in the Destin-Fort Walton Beach Artificial Reef Program, you've got the gear at hand and the catch staying fresh.

When it's time to trade rods for relaxation, this 46 CATAMARAN is just as happy anchored up at Crab Island, that famous sandbar tucked near the Destin Bridge where the water turns impossibly clear and the whole family can hop off the swim platform. The white non-skid decking and spacious cockpit make it easy to move around, while the diamond-quilted, two-tone upholstery and adjustable helm seating mean everyone - from the captain to the last one aboard - rides in comfort. An electric windlass makes anchoring up at Cinco Bayou or Garnier Bayou simple, and the LED light bar across the hardtop, paired with marine-grade cockpit speakers, means the fun doesn't have to stop when the sun goes down over Okaloosa Island.

Whether you're chasing Spanish mackerel off the East Pass jetties, cruising the Intracoastal along Santa Rosa Sound, or just soaking in the view of the Gulf from Sunset Isle Marina's backyard, this Invincible 46 CATAMARAN is built to make every outing on the Emerald Coast feel effortless. She's a serious fishing machine and a comfortable family cruiser in one hull - and around Fort Walton Beach, that's about as good as it gets.
