ABOUT

Antelope IV

LOCATION

West Palm Beach, Florida, United States

ANTELOPE IV is a notable open yacht model built by Leopard Yachts, a well-regarded builder of performance motor yachts, known for producing fast, stylish yachts with a focus on both speed and comfort. She is no exception, with smooth, flowing lines that show an aggressive yet elegant appearance. The impressive design is the work of Andrea Bacigalupo, and the yacht was last refitted in 2025 with no expense spared.

ANTELOPE IV can comfortably accommodate 12 guests sleeping (including two Pullman berths), in 5 staterooms. Reaching an impressive 35 knots, guests can enjoy the thrill of high speeds, enjoy the luxury of relaxing in the deck jacuzzi, or explore the array of water toys available. Fitted with the most up-to-date Gyro stabilization systems that ensure comfort at all times.

ANTELOPE IV features expansive exterior deck spaces, including a large sunbathing area, dining space, and lounging areas that provide ample room for relaxation and socializing. The sun deck is particularly notable, with a jacuzzi, bar, and additional open space for sunbathing or outdoor dining. The interior layout is an open-plan, with large lounges, dining area, and full-height windows offering beautiful views of the sea. The yacht's design emphasizes modern luxury, with minimalist but functional decor.
