ABOUT

2020 JEANNEAU LEADER 7.5 WA

LOCATION

Jupiter, Florida, United States

This 2020 Jeanneau Leader 7.5 WA is a boat that truly does it all, offering a perfect blend of power, versatility, and comfort. Whether you're an avid angler, a cruising enthusiast, or looking for a boat that can handle watersports, this vessel is equipped to meet all your needs with style and reliability

On the exterior, the forward cockpit salon has U-shaped bench seating complete with table. When it's time to relax and unwind, filler cushions are used to transform the space into a complete sun lounge. There is easy access to the large anchor locker plus optional windlass from the forward salon. The ergonomic design at the helm makes cruising easy. Fully protected with a T-top, there is also a windscreen. To port, the sliding door gives access to the optional chemical toilet. Next to the helm station seating is a large cockpit storage locker.

Moving to the bow you'll find a U-shaped cockpit with optional leaning post. The bench seating to port and starboard is removable with optional backrests. Additional filler cushions allow you to turn the cockpit into another large aft sundeck. For protection underway, the portside access gate keeps everything secured. The two swim platforms include a live bait well (option) and a storage locker. Additional swim platform extensions include a ladder and handrail for easy boarding from the water.
