This exceptional 2024 Jeanneau NC 1295 Fly is a standout example of Jeanneau's flagship outboard flybridge cruiser, combining stylish European design, impressive performance, and an incredibly versatile layout. With triple Yamaha 300-horsepower outboards, she offers a smooth, quiet, and efficient cruise in the 24–28 knot range, with top speeds approaching 38 knots.

Designed by Jeanneau in collaboration with Centkowski & Denert Design, the NC 1295 Fly is built for enjoying time on the water with family and friends. Her bright, open interior, expansive cockpit, and three-stateroom, two-head layout provide the comfort and space of a much larger yacht, while her outboard configuration delivers excellent performance and easy access to cruising destinations throughout the Pacific Northwest.

The main salon features large opening windows and doors that create a seamless connection between the interior and expansive aft cockpit. Below deck, three comfortable staterooms provide generous accommodations, while the well-appointed galley is equipped for extended cruising.

Above, the spacious flybridge offers a second helm station, wraparound seating, bimini protection, and a large sun pad—creating the perfect spot for entertaining or enjoying the views underway.
