ABOUT

Therapy Session

LOCATION

Lauderdale-by-the-Sea, Florida, United States

The Jeanneau NC 795 Series 2 captures the spirit of freedom on the water—where sleek European styling meets effortless versatility. This 26-foot cruiser blends comfort, performance, and design in a way that's ideal for both adventurous weekends and relaxed coastal escapes.

Powered by a Mercury 225hp FourStroke outboard with just 112 hours , "Therapy Session" offers quiet, confident cruising up to 38 knots. Her asymmetric walkaround layout gives safe, easy access to the bow, while the spacious cockpit invites social moments with adjustable seating, a removable dining table, and a retractable bimini for perfect sun or shade.

Step inside to a bright, thoughtfully designed cabin featuring a convertible V-berth , a compact galley with refrigerator and sink , and a fully enclosed head —everything you need for a comfortable overnight getaway.

At the helm, the experience is intuitive and elevated: Garmin multifunction display , Fusion Bluetooth audio , VHF , and Lenco electric trim tabs ensure smooth handling and total control. Surrounded by panoramic windows and a wide windshield, every outing feels immersive and connected to the water.

With its modern design, quiet efficiency, and premium fit-and-finish, the Jeanneau NC 795 Series 2 proves that big adventures don't require a big yacht—just the right one.
