Jeanneau NC1095

LOCATION

Fort Lauderdale, Florida, United States

Discover the NC 1095, the flagship of the NC line. At 35 feet, the NC 1095 is the perfect family cruiser, ideal for a weekend away or simply a day on the water. Like all Jeanneau's, the NC 1095 has been designed for life underway and include some clever features like recessed side-decks allowing for safe movement about the boat with easy access to the helm. A large L-shaped lounge comfortably fits a large group and easily converts into a large lounging area. Large transom platforms on either side of the outboard engines, make boarding safe and easy. To fully enjoy life on the water, the forward sundeck with its lifting back rests, provides for additional living space while on deck.

The interior of the NC 1095 with its opening sunroofs and large windows in the hull, allow for plenty of natural lighting. The galley is large and fully functional: here again, a surprising amount of storage space is available in both upper and lower cabinets, allowing you to store everything for your time on the water.

The NC 1095 is offered in both 2 and 3 cabin versions. A nicely appointed owner's cabin forward complete with large center-line bed, easy access to head and shower, two overhead hatches, and long windows down each side, greatly enhance the overall comfort for the master of the ship. The guest cabin to port, rounds out this truly livable interior allowing two guests to join the funning total comfort. A third cabin to starboard can be utilized as either an additional double berth or simply additional storage which is always in high demand on board.
