About the Model

The Prestige 500 Fly is a popular 50-foot flybridge motor yacht, combining generous interior volume with the manoeuvrability and efficiency of Volvo Penta IPS propulsion. One of the model's most distinctive features is its full-beam master cabin with separate private access, an unusual arrangement for yachts of this size. With three guest cabins, separate crew accommodation and a spacious flybridge, the Prestige 500 is equally suited to family cruising and extended stays on board. Buyers considering this model often compare it with the Azimut 50 Flybridge, Princess 52, Fairline Squadron 50, Absolute 52 Fly and Galeon 500 Fly , particularly when looking for a well-equipped motor yacht in the 15–16 metre range.
