ABOUT

# 4 Ever

LOCATION

Bormes-les-Mimosas,
Provence-Alpes-Cote-d'Azur, France

Built by the renowned French shipyard JFA Yachts and designed by Marc Lombard, 4 EVER is a 23.7m Long Island 78 Power catamaran that combines exceptional volume, remarkable efficiency and genuine long-range capability. Constructed with aluminium hulls and a composite superstructure, she offers the strength and reliability of a true expedition yacht while delivering outstanding cruising comfort.

Powered by twin 500 hp Cummins diesel engines, 4 EVER cruises efficiently at 10 knots with a top speed of 18 knots. Her substantial fuel capacity and proven engineering make her ideally suited to extended passages and remote cruising.

With interior design by Franck Darnet, the light-filled interior blends contemporary elegance with practical luxury. Expansive glazing enhances the spacious main salon, formal dining area, fully equipped galley and dedicated navigation station, while the yacht's impressive beam creates an exceptional sense of space throughout.

Accommodation is provided for up to eight guests in four beautifully appointed cabins, including a spacious owner's suite. Outdoor living is equally inviting, with an expansive aft cockpit, generous flybridge with enclosed wheelhouse, forward lounge featuring a seawater jacuzzi, and a hydraulic platform for a tender of up to 4.6 metres.

Combining Northern European craftsmanship, expedition capability and refined comfort, 4 EVER represents a rare opportunity to acquire one of the world's most distinctive luxury power catamarans.
