The 291FS represents the largest of our fleet of Family Sportsman Boats.

The vessel comes standard with an underdeck windlass, fuel fills on both sides, and side entry doors on each side; one with a hidden ladder and one with a beach anchor. For creature comforts, it is outfitted with wraparound bow seating, slide-out lounge seats on the console front, a lined console interior with a freshwater sink, and a huge dash space for a custom instrument layout. For fishing, it offers dual live wells, large molded-in rod storage racks, plenty of rod holders, an under-deck macerated fish box, and even a Seakeeper option.
