The 263FS represents the largest of our fleet of Family Sportsman Boats.

This model has many features that enhance the design and performance, providing the active family with all they could ask for while out on the water. Some standard features include an under-deck windlass, hardtop, side entry door with a hidden ladder, and power assist steering. It still remains a highly fishable vessel with features like dual aerated livewells, 22 rod holders, and horizontal storage racks under the gunnels to hold 8 fishing rods.
