ABOUT

Kimberly Ann

LOCATION

Charleston, South Carolina, United States

KIMBERLY ANN is a 48' Krogen North Sea Widebody featuring a desirable three-cabin, two-head layout and is currently the latest model available on the market in this three-cabin configuration. The three-cabin arrangement offers a level of versatility not found in the standard two-cabin layout. The additional cabin provides two extra berths for family, guests, or crew. When not needed for accommodation, it easily serves as convenient storage space, a hobby room, or an ideal area for luggage and larger cruising gear. Just as importantly, this flexibility comes without compromising the comfort of the starboard guest cabin.

For today's cruiser, this configuration enhances both livability and practicality, making KIMBERLY ANN especially well-suited for extended cruising or entertaining many guests aboard. She has been thoughtfully cared for by three resolute owners throughout her life. Her first owners equipped her for full-time Caribbean cruising and maintained her to exacting standards. The second owners expanded her cruising history along the Atlantic coast, through the Florida Keys, and into the Bahamas, upholding that same high level of care and meticulous maintenance. The current owners have continued this strong stewardship while enjoying local cruising and entertaining in the Carolinas.
