ABOUT

Sea Horse

LOCATION

Jupiter, Florida, United States

Welcome to SEA HORSE, a Class A, full displacement, long range trawler. Since her inception, SEA HORSE has been the sanctuary of two sets of meticulous, full-time live-aboard owners. She is presented in exemplary condition and arguably shows as good today as the day she was launched. The current owners have maintained a standard of technical rigor and aesthetic excellence that matches the unparalleled degree set by her original stewards. Purpose-built and outfitted for serious blue-water passage-making, she is a fortress of self-sufficiency, equipped with every system required for an independent life on the hook, no matter the destination. Her pedigree is backed by thousands of miles of proven performance and a reputation for excellence that resonates far beyond the Kadey-Krogen community. Her original owners established a foundation of offshore success, spending five months annually off-grid in the Bahamas, then continuing north and south along the U.S. East Coast and North Atlantic. Since 2024, her current owners have seamlessly upheld this legacy, navigating the Eastern Seaboard, the Great Lakes, and successfully completing the Great Loop via the Mississippi. SEA HORSE does not just promise adventure; she has lived it. Having transitioned her owners safely through the most iconic North American waterways, she stands ready for her next mission. She is offered for sale only as her owners move toward their next adventures, presenting a turnkey opportunity for the discerning cruisers who demand a vessel that is as rugged as it is refined. Showings by appointment only to pre-qualified buyers.
