ABOUT

Helios

LOCATION

Fort Lauderdale, Florida, United States

HELIOS is a striking 92' Lazzara LSX combining the performance of a sport yacht with the comfort and accommodations of a larger motor yacht.

Powered by quad Volvo Penta IPS 900 pod drives, HELIOS cruises at 22 knots with a top speed of approximately 30 knots. Her shallow 4'10" draft and hydraulically lowering hardtop make her ideally suited for cruising Florida and the Bahamas.

Designed for entertaining and extended cruising, HELIOS features a spacious, light-filled salon, hardtop flybridge, and convertible transom beach club. She accommodates eight guests in four en-suite staterooms, including a full-beam master with a private fold-down balcony, plus separate quarters for three crew.
