2021 Leopard 53 Powercat – Owner's Version | 3 Stateroom | 3,000-Watt Solar Package

Designed for serious cruising without compromising luxury, this 2021 Leopard 53 Powercat Owner's Version represents one of the most sought-after power catamarans on the market. Featuring the desirable three-stateroom owner's layout, an impressive 3,000-watt solar package, and the renowned Leopard blend of efficiency, comfort, and performance, this yacht is equally at home as a luxury liveaboard, Bahamas cruiser, or long-range coastal explorer.

The owner's version dedicates the entire starboard hull to a spacious private suite, creating accommodations rarely found on a yacht of this size. Combined with expansive indoor and outdoor entertaining areas, exceptional storage, and remarkable fuel efficiency, the Leopard 53 offers the space and comfort of a much larger yacht while maintaining the stability and shallow draft only a power catamaran can provide. The Leopard 53 is available in three- and four-cabin layouts, with the owner's version maximizing living space for extended cruising.
