Fort Lauderdale, Florida, United States

MAKAI redefines the modern power catamaran!

Spacious & stable like a much larger yacht yet with the maneuverability and versatility of a smaller boat.

Core efficiency is provided by the asymmetric hull design, which enhances existing multihull benefits of unrivalled form stability, beam space and excellent seakeeping.

Cruise at 24 knots with a max speed of 35. Foils can be added to further increase performance and fuel efficiency.

2 spacious private cabins with en-suite heads, separate showers and standing headroom throughout.

An incredibly spacious cockpit; among the largest in its class. Setting the standard for this boat model and size.
