ABOUT

Mares 47 Outboard Express Catamaran

We are proud to present “ VENTURE ,” a beautifully maintained 2018 Mares 47 Outboard Express Catamaran, powered by quad 2022 Suzuki DF350 outboards with only 235 hours . Combining exceptional performance, innovative engineering, and luxurious accommodations, VENTURE offers a boating experience unlike anything else in her class.

The Mares 47 is renowned for its advanced hydrofoil-assisted catamaran hull , delivering impressive cruising speeds, excellent top-end performance, and remarkable fuel efficiency. The hydrofoil generates lift while underway, reducing hull drag for a smoother, drier ride and enhanced stability in a wide range of sea conditions.

Designed with both entertaining and extended cruising in mind, the spacious layout features a bright, open salon with panoramic windows, a full galley, and seamless indoor/outdoor living thanks to the oversized retractable sunroof and expansive cockpit. Below deck, the full-beam owner’s stateroom provides exceptional comfort rarely found aboard a 47-foot outboard-powered yacht, complete with an en-suite head and generous storage.

Whether you’re cruising the coast, spending weekends aboard, or entertaining family and friends, VENTURE delivers the performance, efficiency, and comfort that make the Mares 47 one of the most unique express catamarans on the water.
