Marquis 720 (2010)

Marquis 720 (2010) is a refined flybridge motor yacht that perfectly balances long-range cruising capability with elegant onboard living. Located in Thessaloniki, Greece, this well-proportioned 22-meter yacht invites you to experience comfortable Mediterranean cruising with reliable performance and spacious accommodation for family and guests.

Main Features:

• Twin Caterpillar Cat C32 engines, 2 x 1400 hp, delivering confident performance and reliability

• Cruising speed 17 knots, maximum speed 24 knots

• Engine hours: 1,448

• Impressive range of 930 nautical miles for extended cruising

• EU VAT paid, Greek flag

• 4-cabin layout accommodating up to 8 guests

• Generous fuel capacity of 5,000 L and fresh water capacity of 3,000 L

• Well-maintained condition, ready for the season

• Shaft drive propulsion for durability and efficiency

Core Description

The Marquis 720 is a well-regarded flybridge motor yacht designed for owners seeking a blend of performance, comfort, and usability. Built in 2010, she offers a solid cruising platform with a beam of 5.5 meters, creating generous interior volumes and stable handling underway. Her layout and range make her ideal for both island hopping and extended coastal cruising.

Powered by twin Caterpillar C32 engines producing a combined 2,800 horsepower, she cruises comfortably at 17 knots and reaches a top speed of 24 knots. With a range of 930 nautical miles, this yacht is well suited for longer passages without frequent refueling. The shaft drive system ensures dependable operation and reduced maintenance complexity.

Accommodation is thoughtfully arranged for up to 8 guests across 4 cabins, including 2 double cabins and 2 twin cabins. The layout supports both family cruising and hosting guests, with 3 bathrooms and separate shower facilities ensuring privacy and comfort onboard.

Outdoor living is enhanced by a spacious flybridge and multiple relaxation areas, providing ideal spaces for sunbathing, dining, and socializing. The yacht's proportions allow for seamless movement between interior and exterior spaces, supporting an enjoyable onboard lifestyle.

Maintained in good overall condition, this Marquis 720 presents a solid opportunity for buyers looking for a proven platform with strong cruising credentials and practical layout.

For buyers considering flybridge motor yachts in the 20–23 m range , the Marquis 720 can be an attractive alternative to models such as the Sunseeker Manhattan 70 and Manhattan 73, Azimut 68 / 68E and Azimut 70, Ferretti 680 / 681 and Ferretti 731, Fairline Squadron 74, Riva 75 Venere, Sanlorenzo SL72, Dominator 680 and Dominator 720, and Uniesse 72.

The Marquis 720 combines generous interior and exterior spaces, comfortable cruising, strong performance and distinctive contemporary design, making it a compelling option for buyers comparing premium flybridge yachts in this size category.
