ABOUT

Archipelago

LOCATION

Mandelieu-la-Napoule,
Provence-Alpes-Cote-d'Azur, France

ARCHIPELAGO is a prime example of the bulletproof high build quality exhibited by the world-renowned Dutch shipbuilders at Moonen Yachts. In essence a go-anywhere little ship, Archipelago is carefully maintained, only used privately, and has had care and attention lavished on her by her current Owner and Captain.

Benefiting from a very recent interior refresh and update, she offers excellent and flexible accommodation for 9 guests, including an attractive main deck owner's suite and a revamped sundeck, now with excellent protection from the weather.

In pristine condition inside and out, as well as her master suite she also offers four additional cabins on the lower deck– making an excellent family-friendly flexible layout or for potential charter use.

The addition of a new swim platform to launch the tender is a standout feature, as it frees-up deck space on the sundeck previously taken by the tender for guests, and adds a ‘beach club’ feel to the yacht.

ARCHIPELAGOoffersthesmartyachtinvestoracompellingpackageandanexcellent pedigree that will hold its value. Her seaworthiness is proven, and she boasts a long-range capability of nearly 4,500nm, giving her ocean crossing capability. A full displacement yacht with a top speed of 12 knots, she cruises comfortably and quietly at 11 knots powered by twin 1,015hp Caterpillar C18 with low engine hours.
