Custom Order your new MTI with TNT Custom Marine

The MTI Outboard X-Series shares many of the same features found in our larger models. 6 bucket seats with plenty of leg room, a large wrap around windshield and abundant storage lockers. Yet, the boat still has the ride and feel of its larger siblings. Twin Mercury Racing outboards bring the boat to life as it eases on plane with a small amount of throttle. Push the sticks forward and you'll find yourself at quick 80 MPH cruise at an incredible 2.5 MPG. When you're ready for more and conditions allow, there's enough throttle left to go well past the century mark. Superb handling is also the trade mark of the outboard cats with the ability to turn hard and remain level. With the combination of all that and worry-free outboards, the 340X & 390X redefine what "Pleasure Boating" is all about.

Take a test ride and find out for yourself why the new MTI outboard cats are the new choice for so many.
