2024 MTI Marine Techonolgy Inc 52 Pleasure

Custom Order your new MTI with TNT Custom Marine.

The 52' Catamaran shows the evolution of our product line. This 11.5' wide catamaran certainly rules the seas.

The 52 is available in Open or Closed cockpit configurations.

Closed cockpit boats have traditionally been 2, and sometime 4 seat cockpits designed strictly for the race circuit. The MTI 52 changes that. The large enclosed cockpit has space for six people and enough space to keep all occupants comfortable. Entry is handled through a large electrically operated hatch, that latches tight for safety at speed. The cockpit can be built with a race spec roll cage, 2" thick impact rated windows, and floor and roof escape hatches. The five point harnesses keep operators and passengers safely secured. The MTI 52 is an extreme powerboat. MTI takes safety seriously.

Air conditioning and shock absorbing seating help keep the ride enjoyable.

The MTI 52 R/P is also available in an Open Cockpit for those that like the wind in their hair. Owners have the option of selecting either 6 or 8 person cockpit arrangements.

Our customers are able to choose either Stern Drive or Surface Drive with Rudder propulsion. We recommend powering the 52 with Mercury Racing TCI 1350 engines for strong, reliable performance.

Every 52 is uniquely constructed to match the tastes and lifestyle of its owner. All MTIs truly do reflect their owners personality and uniqueness.
