ABOUT

Nautique Super Air Nautique S23

Elevate your expectations with the 2026 Nautique S23 Super Air (Stock #214524), a masterpiece of modern design that seamlessly blends the aggressive performance of the S-Series with the spacious luxury of a 23-foot flagship. Engineered for those who demand world-class wakes and waves without sacrificing the comfort of a traditional bow, the S23 stands as the ultimate versatile towboat. With its breathtaking aesthetic, sub-floor ballast, and industry-leading technology, the S23 is built to provide an elite experience for the rider behind the boat and every passenger on board.

• Engine: PCM® ZZ6 6.2L Direct Injection (450 HP)

• Trades: Trades considered (Boats only).

• Location: Available at MarineMax Rogers.

• Advanced S-Series Hull: A specialized running surface designed to provide a smooth ride in chop while creating the perfect canvas for massive wakes and long, powerful surf waves.

• Nautique Surf System® (NSS): Integrated WAVEPLATE® technology allows you to create a perfectly shaped wave on either side of the boat instantly, with total control over height and length.

• Nautique Configurable Running Surface® (NCRS): Automatically adjusts the boat's hull attitude to optimize performance for every activity, from high-speed cruising to heavy-ballast surfing.

• Integrated Steering Assist: An optional stern-mounted thruster that provides unparalleled maneuverability, allowing you to move the transom sideways for effortless docking.

• 3,150 lbs Sub-Floor Ballast: High-capacity internal ballast that leaves your storage compartments completely open for gear while providing professional-grade displacement.

• Striking Geometric Lines: The S23 features a modern, faceted exterior design that commands attention and sets a new trend in towboat styling.

• Actuated Flight Control Tower®: Push-button convenience for folding the tower for bridges or storage, complete with integrated surf pockets in the Bimini top.

• Nautique Strapless Board Racks: The most user-friendly racks on the market, featuring a premium over-molded design that protects your boards without bungees.

• Transom Walk-Through: A dedicated non-skid path from the cockpit to the swim platform, keeping the upholstery pristine and providing safe passage for the crew.

• Extended Swim Platform: A large, low-profile platform with a comfortable non-skid surface, perfect for prepping for a set or lounging at the sandbar.

• Spacious 16-Person Capacity: An expansive lounge featuring premium LuxTouch vinyl and ergonomic seating designed for all-day comfort.

• Reversible Stern Seat: This multi-position seat can be slid forward and flipped to face the action behind the boat, creating the best seat in the house.

• Dedicated Bow Seating: A traditional bow layout that offers deep, secure seating and plenty of room for guests to stretch out.

• Enhanced Lighting Package: Customizable LED accent lighting throughout the cockpit and underwater lights to set the perfect mood for evening cruises.

• Integrated Cooler & Storage: Massive under-seat storage throughout, including a dedicated, easily accessible cooler location for the crew's refreshments.

• LINC Panoray Touchscreen: A high-definition 12.4-inch display that puts every boat function—from wave shape to ballast levels—right at the captain’s fingertips.

• Helm Command Center: An intuitive rotary encoder and hotkeys located on the armrest, allowing for easy navigation of the screen while underway.

• JL Audio® M6 Series Studio Elite: A concert-quality sound system featuring Wavefront™ technology, tower speakers, and dual subwoofers for an immersive audio experience.

• Nautique Awareness Camera: Integrated into the transom to provide a high-definition view of the rider and the area behind the boat on the LINC screen.

• Wireless Charging & Connectivity: Strategically placed charging pads and Garmin® watch integration for remote control of the boat’s music and surf settings.
