ABOUT

Novurania 460 Dl

LOCATION

Rhodes, South Aegean, Greece

Novurania is known world-wide for its highest quality hand-crafted tenders. The deluxe series deep "V" hull and bow flare provide a smooth and stable ride, quietly powered by the Yamaha four stroke outboard. So stealth and steadfast, you won't want to stop exploring on your next trip.

The Novurania Deluxe series are luxury center-console RIB tenders which are also sport-boats in its their own right. If you need your tender to be independent of the mothership, or you are looking for an Inflatable option to explore your local bays and islands; most can be outfitted with a full electronics package, with only your imagination limiting the choices.

Optioned out with a ski tow pylon, the 460, DLs can easily pull a water skier up, even when on a slalom ski. Each can easily pull two wake-boards or knee boards, and is up to the task of pulling any inflatable water toys. The larger Deluxe line models allow for various seating and deck layouts for infinite customization options. With available power can also easily transport more guests back and forth to the dock or beach.

Used as yacht tender and ready to go .
