ABOUT

Amore

LOCATION

Fort Lauderdale, Florida, United States

AMORE, the 2022 Numarine 37XP was originally commissioned by an experienced yachting family designed to travel the world in complete comfort with the ability to carry a large selection of toys on deck. AMORE sleeps 14 guests in 6 cabins with 2 pulmans and features a two master layout with a private owner's deck located on the upper level while the second master is located forward on the main deck. The lower guest accommodations consist of 4 additional cabins plus a spacious cinema room great for entertaining. Two of the lower guest staterooms are fitted with Pullman berths offering accommodations for up to 2 additional guests.

AMORE sleeps up to 8 crew including a captain's cabin on the bridge deck with 3 double cabins located below off the crew mess and an extra crew berth located in the expansive laundry facility complete with full ensuite. A great layout for remote cruising when you want to bring on a local dive master or guide.

Key features onboard AMORE include air conditioned beach club with half bath & storage for watersports gear, shore power converters, jacuzzi and expansive boat deck with 3 ton davit allowing you to carry up to a 8m+ tender with room for 3 full size jet skis & inflatable toys. She features a full displacement steel hull with composite superstructure, zero speed stabilizers and impressive 4,500nm+ range. A true global explorer.

AMORE has been recently upgraded by her current owners with a full assortment of toys & new interior décor. She is run by an extremely experienced captain & crew and has made a name for herself as a popular charter yacht.

AMORE is US Duty Paid and would be an excellent yacht to consider for Bonus Depreciation.

She is currently Jamaican flagged and commercially registered & has been named Fraser Yachts 'Charter Yacht of the Year' in her size catagory for 2 straight years. For the upcoming 2026/2027 Caribbean winter season she has 7 weeks of charters already booked so an excellent opportunity for someone to purchase a yacht with an established charter business, or complete the sale in 2026 & take advantage of the Bonus Depreciation and then immediately have well over $750,000 of charter revenue coming in between November-April. Excellent opportunity.

Important to note that the crew are excellent and run her as if she was a 50m program with all of the heads of departments on rotation & a mini-ISM maintenance program in place. She also benefits from full Yacht

Management assuring all flag state & class certificates remain current and scheduled maintenace remains in order.

AMORE is currently on Dock Express arriving in Fort Lauderdale at the end of October.

Being US DUTY PAID she can be viewed anytime with proper notice by both US & International buyers.
