ABOUT

Ocean Alexander 28R

Dock Dock Goose is an exceptionally well-maintained 2021 Ocean Alexander 28R that perfectly blends contemporary styling, luxury accommodations, and proven offshore performance. Powered by twin MAN V12 1900 HP diesel engines with approximately 1,250 hours, she has been maintained to the highest standard and is truly turnkey for her next owner. Fresh out of the yard with NEW bottom paint and prop speed (Oct 2026), she's ready for her next adventure!

The major MAN 1,200-hour engine service, along with complete service on both Kohler 40kW generators was just completed. The transferable MAN Gold Standard Protection (GSP) warranty remains in effect through June 2027, providing tremendous value and peace of mind.

Designed by Evan K. Marshall and engineered by Ocean Alexander, the 28R offers remarkable interior volume thanks to her full-beam main deck and expansive floor-to-ceiling windows. Natural light fills the salon, highlighting the yacht's elegant finishes, handcrafted joinery, and contemporary design.

The main salon is designed for entertaining with generous seating, an eight-person dining area, and large sliding doors that seamlessly connect the interior to the side decks. Forward is the country-style galley featuring premium appliances, abundant storage, a comfortable dinette, and everything needed for extended cruising.

The accommodations are equally impressive. The on-deck full-beam master stateroom features panoramic views, a king berth, his & hers closets, and a luxurious ensuite with dual vanities. Below deck are three spacious guest staterooms, including a VIP that rivals many master suites, along with two additional guest cabins that convert from twins to doubles. Separate crew quarters can be accessed privately through the custom beach club door.

Outdoor living is where the 28R truly shines. The expansive flybridge offers multiple seating areas, an oversized wet bar, and excellent visibility from the helm, while the beach club and hydraulic swim platform provide effortless access to the water and ample storage for toys and diving equipment.

Highlights & Equipment

Broker's Remarks

Dock Dock Goose represents one of the finest Ocean Alexander 28Rs currently available. Her maintenance history speaks for itself, with proactive servicing performed well ahead of schedule and numerous owner upgrades that

enhance both reliability and onboard comfort. From the recently completed MAN service and transferable engine warranty to premium equipment including Spot Zero, Starlink, ElectroSea, and the integrated scuba fill system, every aspect of this yacht reflects knowledgeable ownership and meticulous care.

If you're searching for a late-model Ocean Alexander that requires nothing before your next adventure, Dock Dock Goose deserves serious consideration.
