ABOUT

M/Y 12

LOCATION

Delray Beach, Florida, United States

This exceptional yacht has been meticulously maintained and thoughtfully upgraded, with a strong emphasis on mechanical reliability, performance, comfort, and presentation. She has benefited from an extensive list of recent service and improvements, making her a truly turn-key vessel for her next owner.

Her mechanical systems have received significant attention, including complete M1, M2, M3, and M4 MAN engine service, generator service with a new exhaust elbow, new generator batteries, a new hot water tank, new Aquamet 22 shafts, new rudder shaft seals, and a PHIBER fresh-water shaft flush system. The propellers have been checked and balanced to S-Class specifications, while the davit has been fully serviced with all-new hydraulic lines. The swim platform wings have also received new stainless-steel locking pins and seals.

The exterior presents beautifully following a professional four-step Starke buff, polish, and wax of the hull and topsides, along with fresh bottom paint and Prop Speed. New Sunbrella exterior cushions and covers further enhance the yacht's outdoor living spaces. Teak has been professionally sanded and caulking repairs completed, while the anchors and anchor pockets have been machined and polished.

Comfort and usability have also been upgraded throughout. A new crew AC unit has been installed, with upgraded BTU capacity for the crew-room AC units, and all carpets have been professionally cleaned. PPF has been applied to the interior countertops and exterior coffee table to help protect these high-use surfaces.

Modern equipment and cosmetic enhancements include a FLIR M364C thermal imaging camera, RGB lighting for the yacht lettering and nameboards, and new custom tender whips for both port and starboard. The Headhunter HMX system was also serviced.

With extensive recent mechanical work, upgraded systems, refreshed exterior finishes, and numerous thoughtful improvements throughout, this yacht has clearly benefited from attentive ownership and substantial investment. She is exceptionally well equipped, beautifully presented, and ready to cruise.
