ABOUT

Galileo

LOCATION

Victoria, British Columbia, Canada

GALILEO is designed for owners who want effortless indoor-outdoor living, private guest comfort, and capable extended cruising in one refined stunning motor yacht. Her enclosed sky lounge sets the experience apart, creating comfortable upper-deck retreat without sacrificing expansive exterior entertaining space.

Stepping aboard GALILEO, a 2021 107' Ocean Alexander 32L, you experience the solid feel of her construction. You immediately note the 15' Walker Bay tender positioned atop the expansive hydraulic swim platform which streamlines launching. Up gently curved steps you arrive at the aft deck. Highlight features include custom teak decking, custom upholstered cushion seating wrapped around two stone tables (with stowed leaf converting to a larger single table setting), custom ceiling feature, dimmable indirect lighting, and wet bar with refrigerator and icemaker completing your protected al fresco entertaining area. Seamless access to the salon completes the easy flow between outdoor and indoor living.

Crossing the stainless-steel threshold of the electrically opening glass door, into the main salon is the moment you become immersed in Ocean Alexander's design and thoughtfulness for luxury. Well-positioned nearly floor to ceiling windows port and starboard incorporate massive electrically opening glass doors bathing the entire salon and dining areas in light which accentuate the open deck spaces to ease through from the comfort of the salon L-sofa with a custom coffee table and stone topped storage cabinet into the impressive dining area with table and chairs seating 10 guests. Flanking the dining table are forward and aft storage cabinets with custom fitted storage drawers and compartments for the OA monogrammed table service cutlery, chinaware, stemware, glassware and mugs.

Beyond the dining area to port, you arrive in the galley which creates a statement of its own. Cambria marble graces the floor and countertops accompanied by Berwyn stone backsplash with superior quality Thermador, Sub-Zero, and Viking appliances. A watertight door to the side deck promotes functional service anywhere aboard.

Farther forward, is a day head to starboard and beyond is the on-deck master stateroom with king sized Zero Gravity adjustable bed, and ensuite bathroom featuring heated floors and walk-in closet.

Four well-appointed accommodations below deck provide a relaxing haven for GALILEO's guests. VIP and guest staterooms are finished with luxurious embellishments, offering ensuite heads. Aft, through private access are dedicated crew quarters and include a crew lounge with kitchenette, secondary laundry, and private access preserving owner and guest privacy.

Ascend to the bridge deck to discover one of GALILEO's defining features: a fully enclosed sky lounge adorned with all the same finishes throughout the yacht. Inside, is the centerline forward helm station with Garmin navigation electronics, and custom furnished seating areas are framed by the mesmerizing 360° sweeping views. Aft, the sky lounge opens directly to the exterior bridge deck, where a Jacuzzi, sun pads, wet bar, refrigerator and icemaker, and barbecue create a versatile setting for relaxation and entertaining.

From the aft deck, continue forward along wide side decks protected by stainless steel handrails to reach the foredeck, there are sun-lounging areas to balance comfort with practical cruising capability. Dual hydraulic windlasses, robust anchors and chain support confident ground-tackle handling. From her hydraulic swim platform to her enclosed sky lounge and well-equipped foredeck, GALILEO brings entertaining, privacy, performance and cruising capability together in a cohesive owner-focused design.

Experience GALILEO firsthand—schedule your private viewing today.
