ABOUT

Island Breeze

LOCATION

Seattle, Washington, United States

Alexander Marine USA is pleased to present Island Breeze, just in time for Opening Day! We have so many features to discuss with this absolutely gorgeous 72' Ocean Alexander. Features that will allow you to extend the boating season even further than a traditional flybridge model. This owner-operated vessel has been moored in a fresh water slip since delivery. She has been very well maintained by an experienced captain. You will find lush new carpet in the salon. As well as newer Lithium-Ion Batteries to drive the 5KW Inverter longer with little to no fuss. The owner designed the flybridge enclosure to a factory built level of finish that will give you more year round comfort and clear visibility from the flybridge which now is more of a SkyLounge. This eliminated the canvas on all three sides.

You will also have the option to purchase the single asset LLC in which holds the vessel.

In stock and ready for your review! Call today or come in and visit our waterfront showroom. Our knowledgeable staff is ready to help. We are easy to find at 1001 Fairview Ave. N. Suite 1400!

Side Power stabilizers with vector fins and Zero speed stabilization, 4 staterooms + crew, open layout!!!! Painted boat with Alexseal ++++

The 2017 72 Pilothouse from Ocean Alexander. More beam. More living options.

A more modern hull that gives you better speed with less fuel burn. The 72 Pilothouse is a new take on an Ocean Alexander classic. Our continuing obsession with engineering, safety and performance is evident all over it.
