ABOUT

Sea Grace

LOCATION

Rancho San Diego, California, United States

SEA GRACE is a contemporary Ocean Alexander Motoryacht, designed by Ed Monk Jr. Approximately 280 hours since both main engines were gone through by an MTU dealer, all services up to date. ZF transmissions were also completely rebuilt by factory authorized service providers. SEA GRACE features a full 20' beam, with generous side deck and is well suited for all boating environments. Twin 25KW Northern Lights generators, water maker, and all new batteries. The layout features three spacious staterooms, three ensuite heads with separate shower enclosures, additional day head and a generous crew quarter with head and shower.

This yacht design has been tremendously popular, with a stunning interior, beautiful salon, large galley, and spacious full beam master stateroom with a walk-in cedar lined closet.

SEA GRACE has been well maintained with upgraded factory options that include, Keypower hydraulic bow and stern thrusters with proportional control. Yacht Controller wireless handheld remote control for throttles and thrusters for safe and easy docking from any place on deck. Upgraded 12 ft stabilizer fins for more comfortable cruising, upgraded heat and air conditioning on the flybridge, Ultra Stainless-Steel anchor, underwater lights, upgraded Octuplex software for state-of-the-art fiber optic yacht systems management. This boat represents a nice opportunity to acquire one of Ocean Alexanders premier Motoryachts.
