ABOUT

Ocean Master 31 Express Sport Cabin

Ocean Master 31 Express – Repowered with Mercury 350 hp Verados

The Ocean Master 31 is a heavy-duty offshore fishing boat built in Florida and well known for its rugged construction and exceptional ride quality. These boats have earned a strong reputation among serious offshore anglers thanks to their ability to handle rough water and long runs offshore with confidence.

This particular boat is offered by its second owner , who purchased her from the original owner in 2010. In 2017 the boat was repowered with Mercury Verado outboards , including digital throttle and shift controls at both helm stations . Performance is strong with a top speed around 50 mph and a comfortable cruise in the mid-30 mph range .

The Ocean Master hull is known for its dry ride, high bow flare, and excellent stability , making it an outstanding offshore fishing platform. With the Armstrong bracket and closed transom , the boat feels larger than its 31-foot designation and provides a very spacious cockpit with plenty of room for fishing, diving gear, or charter use .

The cabin layout is simple and functional, housing a VacuFlush head, house batteries, and 12V/110V electrical systems .

Electronics were updated in 2023 with Simrad displays at both the upper and lower helms , including plotter, sounder, and radar. The boat is also equipped with new VHF radios , Mercury VesselView at the lower helm , and SmartCraft gauges at the upper helm .

Additional highlights include:

- Repowered with Mercury Verado outboards (2017) 415 hours
- Digital throttle and shift at both stations
- Simrad electronics (2023) – plotter, sounder, radar
- New VHF radios

• Mercury VesselView display

• SmartCraft gauges at upper helm

• New exterior upholstery and bolsters

• New isinglass enclosure around the helm

• Armstrong bracket

• Freshwater and holding tanks onboard

• Cockpit rocket launcher

• Cockpit fighting chair--replaces the rocket launcher

The engines were fully serviced in winter 2025 , including new fluids, filters, spark plugs, belts, and impellers.

Perfromance info:

RPM/MPH/MPG

4100/34/1.54

4600/38/1.36

5000/42/1.31

6100/54

2ppl onboard, 250 gallons of fuel

Electrical systems include:

• 4 starting batteries with selector switches

• 2 house batteries with a separate charger and switching system

This Ocean Master is an excellent option for offshore fishing, diving, or charter work , offering a proven hull, modern power, and updated electronics.
