ABOUT

Blue Tango

LOCATION

Huntington Beach, California, United States

The Offshore 54, "Blue Tango," is a rare and exquisite cruising yacht that promises an exceptional experience on the water. Equipped with Twin CAT 3126 450hp engines that have clocked just 1096 hours, she features stabilization for a smooth ride and a bow thruster for easy handling and maneuverability. Known for their remarkable fit and finish, Offshores are also celebrated for their user-friendly design and outstanding entertainment capabilities, and "Blue Tango" is no exception.

Her owner just completely redesigned the interior soft goods, lighting, and countertops to give her an updated look. The photographer asked as he stepped aboard, "Is this a new boat?"

As you board from the mid-ship boarding door, you're welcomed into a spacious aft cockpit adorned with a beautiful teak cap rail, providing the perfect touch of elegance.

Stepping through the double sliding doors, you enter the inviting salon, which features sit-down visibility and an attached galley—perfect for entertaining. The salon boasts a large U-shaped settee and two octacosanol chairs, accommodating dining for up to 10 guests.

Moving forward, you'll find a fully equipped galley offering stunning views of the horizon. Just three steps up from the galley is the open pilothouse, which serves as the nerve center of the vessel. With 360-degree views, two access doors, and a large L-settee alongside his and her helm seats, this space is designed for comfort and socializing while underway.

To access the forward guest suite, head down the starboard side stairs. This cabin is separated from the Primary Cabin by a second stairway, creating a secluded oasis for your guests. The Primary Cabin is accessed from a stairway in the salon and is located midship, providing the utmost comfort whether underway or at anchor.

From the pilothouse, a staircase leads up to the full-beam flybridge and boat deck. Like the pilothouse, the flybridge features co-captain chairs and a spacious L-settee, making it the perfect gathering spot for everyone to enjoy the cruise. At the aft of the flybridge, you'll find the full-beam boat deck, ideal for storing a 14' tender or simply soaking up some sun.

In summary, "Blue Tango" combines luxury, comfort, and functionality, making her a magnificent choice for anyone looking to explore the open waters in style.
