ABOUT

On Our Way

LOCATION

Palm Beach, Florida, United States

ON OUR WAY represents an extremely well-cared-for 80' Outer Reef that has undergone substantial, critical upgrades throughout her current ownership. Mechanically, she has completed a top-end rebuild of her C18 Caterpillar engines, including a full exhaust replacement, and her Northern Lights generators have been fully serviced. Additional major work includes replaced shafts, new engine and gear mounts, a rebuilt hydraulic system, new battery chargers and batteries, new inverters, and new shore cords with shore power boosters. The HVAC system has been completely overhauled with new circulation and raw-water pumps, along with new frequency drives. A new Garmin electronics package was installed, complemented by Starlink connectivity and a new AV system. The interior has been fully refurbished with new stonework, furniture, and carpeting throughout. Completely turnkey and ready to cruise anywhere in the world, ON OUR WAY is a must-see.
