ABOUT

Samsara

LOCATION

Fort Lauderdale, Florida, United States

SAMSARA is a 30m, RINA-classed, expedition motor yacht with an unrestricted navigational notation, "Any Ocean." She was designed to MCA/Lloyds Class 100A1 by noted naval architect Jon Overing and was commissioned in 2019 in Fort Lauderdale.

Fresh off a $1.2M refit in Fort Lauderdale, SAMSARA is ready for immediate global cruising. With all major systems upgraded and class compliance secured, she is rigged and ready to be provisioned to go anywhere you dare or desire. Intended for those who appreciate the finer things in life, SAMSARA offers a perfect blend of comfort and performance. Featuring spacious living areas, robust exterior decks and a healthy inventory of sporting equipment, she is an ideal yacht for exploring coastal and distant waters.

Designed to handle the worst of inclement conditions, she is an extremely efficient, stable, and safe boat due to her full displacement design- she moves through the water rather than on top of it- her hydrodynamic efficiency, round bottom, steel hull (LR steel, 8-16mm), zero speed stabilizers and light-weight marine grade aluminum superstructure.

Kirschtein Interior Designs of London was used to create a live-aboard interior which is a traditional North America cherry wood with neutral colored soft furnishings. She sleeps eight guests in four staterooms with ensuite heads and accommodates up to five crew in both the forward quarters (two heads) and the engineers' cabin aft (ensuite head).

SAMSARA was meticulously designed by Overing Yacht to be comfortable during long range expeditions, including tank testing, which is a method used to evaluate the hydrodynamic performance of a yacht's hull. Her extremely generous tankage for all fluids affords her long distance exploration. Having just returned for Fort Lauderdale from the Mediterranean, SAMSARA has travelled 38,000+ nautical miles from Glacier Bay Alaska to Istanbul, Turkey. She has seen over 125 ports of call in 25 countries and has transited both the Panama and Corinth Canals twice.

Full specifications

OVERVIEW

Builder	Overing
Model	Overing
Year	2017
Type	Motor Yacht
Condition	Used
