ABOUT

Jomar

LOCATION

Cannes, Provence-Alpes-Cote-d'Azur, France

Refit in 2024, Jomar is in like-new condition and ready to be enjoyed . Her streamlined profile slips quickly through the water, reaching thrilling speeds of 29 knots, with maximum speeds of 32 knots and zero speed stabilizers delivering high comfort. She is well suited for cruising the beautiful coastlines of the Mediterranean. An ultra-shallow draft allows her to visit a wide range of cruising grounds. There is a sheltered al fresco dining table with comfortable seating. Further aft are settees and expansive sunpads for making the most of the sunshine and views which can also be converted into a luxurious jacuzzi.

Able to welcome up to 10 guests, Jomar delivers the best of on-water living with impressive exterior deck spaces and an equally spacious interior. Another huge sunpad with optional shading, which is a popular space to retreat to, is located on the forward deck. A seating area with table on the forward deck is a private space for aperitifs or watching the sunset over the clear blue ocean.

Having just completed a comprehensive refit in 2024 including a full Engine Rebuild she is a must-see in her category!
