ABOUT

Rush

LOCATION

Genoa, Liguria, Italy

Rush is part of the Mangusta 165' range from Overmarine shipyard and is hull number five in the series. One of the most iconic fast Mediterranean superyachts of its generation.

Suitable for an owner that doesn't want to waste any time on the water, the yacht boasts aggressive and powerful lines designed by Overmarine and Stefano Righini. With two MTU 16V engines with a total output of 6,889kW on board, she can reach a top speed of over 30 knots.

Rush on-board exterior facilities include a wide main-deck aft area with an innovative pivoting dining and coffee table for 10 guests, as well as a more private sunbathing area and Jacuzzi on the bow. The sun deck offers a panoramic view over the sea with dining area, sun pads and a second helm station.

Her interiors are designed by Giorgio Vafiadis: bright and masculine, her layout features luxury details including high-gloss Wenge wood finishing, silk-blend carpets, high-end Foglizzo leather wall panels and impressively high ceilings for a vessel of this range. The main deck salon opens on to the dining area and the bar, and leads to a wide social area with a comfortable round sofa for launching and watching the 82-inch TV screen, which includes a large cinema library.

Going forward to the lower deck, Rush hosts five luxurious en-suite cabins for 10 guests: a full-beam master suite with his and her bathrooms, a VIP nestled in the bow, one guest cabin with double bed and two twin cabins. The yacht also features a fully-fitted massage zone with steam room, an unusual addition on open yachts.

Created for unforgettable moments at sea with a large set of water toys available on board, Rush would be a suitable fit for those looking for new experiences and fast cruising with a high level of comfort. She has been immaculately maintained and in turn key condition.
