ABOUT

Independence

LOCATION

Chesapeake, Virginia, United States

INDEPENDENCE is a highly desirable three-stateroom, two-head Downeast-inspired performance yacht, presented in exceptional condition with approximately 620 hours on her twin 725-hp Volvo Penta D11 IPS engines as of August 2026.

Her Volvo Penta IPS propulsion with joystick control, dynamic positioning and autopilot, Side-Power bow thruster, and twin Quick gyro stabilizers make her exceptionally easy to handle while delivering a comfortable, stable platform for coastal cruising or extended passages. Her sought-after three-stateroom layout includes a spacious forward owner's suite with ensuite head, versatile twin-berth guest accommodations, and a third cabin with over-under berths. The bright, airy salon features expansive opening windows, a well-equipped galley, comfortable seating, and an L-shaped dinette, while the teak-decked cockpit provides excellent outdoor dining and entertaining space for 6–8 guests.

Additional highlights include a Williams MiniJet 280 tender with dedicated garage, Garmin electronics, 740-gallon fuel capacity, Fischer Panda 12-kW generator, new 2026 AGM service batteries, freshly sanded teak, recently refinished exterior varnish, and a new 2026 aft-deck bimini. Professionally maintained and lightly used, INDEPENDENCE combines low engine hours, desirable accommodations, impressive equipment, and timeless styling in one exceptionally well-presented yacht.
