ABOUT

Izumi

LOCATION

Naples, Florida, United States

The Palmer Johnson 120 was designed by the famous design team of Nuvolari & Leonard out of Venice Italy and built in Wisconsin by the Palmer Johnson Shipyard. The styling of this yacht will never go out of style, this yacht will always remain a classic. Many have tried to imitate this design, but nobody has succeeded in replicating the sexy sports look of this vessel. Currently, this vessel is cruising the US east Coast... If you are a resident of the EU or if you wish to cruise the Mediterranean without worries about duties, this vessel is not subject to tariffs as it is American made . In 2022-2023 Izumi was updated and maintained for years of trouble-free cruising: Please see updates in detailed specifications.
