2023 Pearl 62 Luxury Yacht 'IMAGINE'

Step aboard this stunning Pearl 62, a vessel that sets the benchmark for modern flybridge motor yachts. Maintained with unwavering attention to detail, this yacht presents in near-new condition with every system professionally cared for since delivery. For the discerning buyer seeking a turnkey luxury yacht that combines performance, comfort, and sophisticated design, this is a standout opportunity that shouldn't be missed.

Crafted in the UK with a deep focus on quality, the Pearl 62 showcases the renowned Modern Kelly Hoppen interior package. Every surface and finish throughout the saloon, galley, and cabins has been curated to evoke understated luxury. Timber floorboards extend through the main deck living areas, complementing hand-finished cabinetry, elegant fabric panels, and soft leather accents--creating a cohesive and inviting atmosphere with a distinctly contemporary edge.

Interior comfort is second to none. The main saloon benefits from electric blinds and curtain systems, while full reverse-cycle air conditioning is ducted throughout, including heads and crew quarters. Even the crew cabin features a dedicated drinks fridge and independent A/C system--underscoring the level of refinement across the entire vessel.

Accommodating up to 8 guests across 4 beautifully appointed cabins, the Pearl 62 offers

both flexibility and comfort. A convertible twin cabin allows for either singles or double occupancy, while the full-beam master stateroom is a private sanctuary with panoramic hull windows, his-and-hers storage, and high-grade en suite finishes.

This yacht's condition truly sets it apart. Maintained to the highest standard by knowledgeable owners and professional crew, all mechanical systems, electronics, and finishes are in exceptional working order. The teak decking extends seamlessly from the aft cockpit to the bow, including the flybridge and swim platform, providing a premium finish throughout the exterior. All stainless steel gleams, and interiors show minimal to no signs of wear--showcasing how carefully this vessel has been kept.

Key upgrades include:

ÏTwin Volvo IPS 950 engines (725hp a side) with joystick control

Ï20.5 kW Kohler generator (upgraded from standard)

ÏSeakeeper SK9 gyro stabiliser for industry-leading comfort

ÏExtending hi/lo hydraulic swim platform, complete with Williams Jet Tender, custom deck chocks, and canvas cover

ÏGarmin navigation suite with 4 upgraded displays & AIS

ÏWatermaker (95L/h) and Mastervolt inverter system

ÏTwo helm stations (main deck and flybridge) plus Yacht Controller remote docking system

ÏTeak flybridge with hardtop, icemaker, fridge, and high-fidelity stereo system

ÏLighting includes underwater lights, pop-up foredeck illumination, and low-level side deck LEDs

Also included are full external covers, in-port water connection, and a complete safety gear package. Anti-fouled in black, this yacht is fully prepared for immediate enjoyment.

In every respect--from its opulent fit-out to its pristine upkeep--this Pearl 62 is a standout example of modern yachting excellence. Viewings are highly recommended for those seeking quality without compromise.
