ABOUT

Aldebaran III

LOCATION

Palma, Balearic Islands, Spain

The Pershing 108 is a luxury motor yacht built by the Italian shipyard Pershing Yachts. It is a high-performance superyacht that measures 33 meters (108 feet) in length and features sleek, sporty lines, a distinctive profile, and a spacious interior. The Pershing 108 can accommodate up to 10 guests in four luxurious cabins, including a full-beam master suite, a VIP cabin, and two twin cabins, all with en-suite bathrooms.

The yacht is powered by triple MTU 16V 2000 M96L diesel engines that provide a top speed of around 42 knots and a cruising speed of 35 knots, making it one of the fastest superyachts on the water. The Pershing 108 also features an innovative propulsion system that includes surface drives providing an exhilarating ride that will make your adrenaline soar!!

Other notable features of the Pershing 108 include a large sun deck with sunpads and an upper driving station, a spacious main salon with a dining area, a fully equipped galley, and a garage for tender and water toy storage. The yacht is designed for luxury and high-performance, making it an ideal choice for those who seek speed, style, and comfort on the water.
