ABOUT

Soraya

LOCATION

Manila, Metro Manila, Philippines

SORAYA is a 35.4m Pershing 115 motor yacht, originally delivered in 2007 as the iconic flagship of her high-performance class and fresh from a 2026 refit, including a complete repaint and cosmetic upgrades. Built in Italy and designed by Fulvio De Simoni, she combines an aggressive, aerodynamic exterior with a sophisticated interior refresh originally conceived by Winch Design. Powered by twin MTU diesel engines paired with KaMeWa waterjets, she reaches an exhilarating top speed of 34 knots and cruises comfortably at 28 knots. With a sleek 7.2m beam and 189 GT, SORAYA offers blistering performance and exceptional sport-flybridge volume in a striking package.

Her interior and deck spaces have been thoughtfully designed for both high-speed cruising and guest entertainment, featuring an expansive open-concept main salon, light-filled dining spaces, and a sweeping aft deck for alfresco living. On the lower deck, she accommodates up to seven guests across three beautifully appointed cabins, including a spectacular full-beam master suite complete with an adjoining private owner's office. Outside, her streamlined flying bridge and intimate foredeck lounge offer premium sunbathing areas, while a dedicated bow hangar and stern garage seamlessly house a 4.5m tender and two jet skis.

SORAYA represents an extraordinary opportunity to acquire a legendary Italian masterpiece in turnkey condition. Outfitted with Seakeeper stabilizers for ultimate comfort at anchor, her ultra-shallow 1.44m draft makes her perfect for navigating the world's most exclusive shallow bays. With her iconic silver-grey profile, updated luxury amenities, and pedigree engineering, she is the ultimate high-performance superyacht ready for immediate delivery.
