ABOUT

# Unreel

LOCATION

Miami Beach, Florida, United States

Delivered in 2023, this is an exciting opportunity to acquire an as-new vessel in turn-key condition—perfect for cruising the US East Coast or the Bahamas. As the 19th hull in the build series, UNREEL's performance, pedigree, and popularity are well-proven.

UNREEL has a draft of just 5ft, making her ideal for island hopping in shallower waters. Built to US 60-cycle electric, every aspect of this yacht has the American market in mind.

This luxury motor yacht has accommodation for six guests in three cabins. All located on the lower deck, the arrangement comprises a full-beam master suite, VIP double, and a guest twin - all of which are en suite.

The interior features a main deck saloon lounge with sheltered dining aft, and there are cushioned sun pads both at the stern and on the bow. Interior finishes include parquet flooring, leather sofas, brushed nickel detailing, and leather-topped counters.

UNREEL is equipped with the latest onboard technology, including an integrated navigation system and control interface, steer-by-wire controls, and propulsion systems with the latest generation automation.

The Pershing 7X model was the winner of 'Best Exterior Design' within the 64 – 80ft category at the World Yacht Trophy Awards, and this yacht's sleek, striking design by Fulvio De Simoni with metallic charcoal hull color is a real head-turner.

Intended for high speed, and high performance, UNREEL can boast a top speed of an incredible 50 knots. Constructed in GRP and carbon fiber, weight-saving initiatives provide exceptional efficiencies.

Ceramic coating completed 7/25.

Key Features:

• Speed, with a 50-knot top speed, UNREEL is one of the fastest on the water at its size

• Shallow draft makes it easy to reach the Exumas for a long weekend and explore remote island destinations

- Sleek, Edgy, Italian design
- Best priced / most recent model in the 70' Pershing range on the market
- US duty paid, turn-key, and ready to go
- Highly Optioned
