ABOUT

One Spin 3

One Spin 3 presents an excellent opportunity to own a US-Spec 9X Pershing, meticulously maintained to the highest standards.

The 9X Pershing is a perfect blend of power, style, and innovation, truly a masterpiece of Italian engineering that redefines the modern sport yacht. Built entirely from lightweight carbon fiber, the 9X delivers breathtaking performance alongside timeless elegance. Equipped with twin MTU 2638 hp engines, she can reach an exhilarating top speed of 42 knots, effortlessly slicing through the water. Every line, surface, and curve of the yacht is sculpted for aerodynamic perfection, showcasing the unmistakable Pershing style.

The interior of the 9X is sophisticated and inviting, featuring large windows that flood the salon with natural light, enhancing the sleek interiors finished in leather, carbon fiber, and polished metals. The full-beam master suite and three beautifully appointed guest cabins offer unparalleled comfort, while the cutting-edge helm station ensures that total control is always at your fingertips.

Outside, expansive sunpads, a panoramic sunroof, and a seamless connection to the sea create the ultimate open-air experience. The hydraulic swim platform transforms into a private beach club, making every destination feel like your own personal retreat.

The Pershing 9X isn't just a yacht; it's a statement of intent. Bold, fast, and uncompromising! For those who refuse to follow and live to lead, there is only one choice: the Pershing 9X.

One Spin 3 is finished in Charcoal Grey Metallic paint, giving her a striking and captivating appearance. With her fierce look comes elegant grace, allowing you to arrive at your destination in style and half the time.
