Introducing the stunning 2021 Prestige 520, a remarkable flybridge motor yacht that combines elegance with performance.

The 520 Prestige is arguably the most popular model ever built. This 2021 motor yacht has been meticulously maintained and checks virtually every box. Powered by Volvo Penta IPS pod drives and joystick control at the helm as well as in the flybridge, this boat performs great, and handles even better.

Entertaining space is exceptional on this boat with seating in the full teak cockpit, flybridge seating and lounges, as well as a bow lounge pad area. Expansive views inside the salon area as you have 360 degrees of windows giving the interior space tons of lighting and offers great visibility.
