2022 Prestige 520 Flybridge

Emotional Rescue 9

“Emotional Rescue 9” distinguishes herself from every other 520 Fly on the market through an extraordinary commitment to maintenance and high-end upgrades. This vessel features a striking 3M White Aluminum Metallic hull wrap, custom black paint on the radar and spotlight, Seakeeper and, ZipWake stabilization, SpotZero, ElectroSea, and custom-built vanity in the owner suite. Her experienced owners are true yachtsmen who have systematically enhanced every major system over the past 18 months..

The Prestige 520 Flybridge has become one of the most celebrated European motor yacht designs for two main reasons: her sea-keeping ability is exceptional and her luxurious interior rivals that of much much larger vessels. This yacht delivers a stable, comfortable offshore ride while offering a sophisticated three-stateroom layout (plus skipper quarters) that is rare in her class.

“Emotional Rescue 9” is an ideal platform for those who prioritize both style and substance in their cruising adventures. And we believe you’ll find this yacht is the finest example of the Prestige 520 Fly on the market today.

Listing Highlights

• Model year: 2022

• Layout : 3-cabin / 2-head plus skipper’s quarters with head

• Propulsion & Hours : Twin Volvo IPS 650 (480 HP each)

• Seakeeper 6 gyroscopic stabilizer

• ZipWake E600 high-speed trim tabs

• Cummins Onan13.5 kW Generator , plus Chiller Air Conditioning

• Hydraulic Swim Platform with adjustable stainless steel chocks

• Key Measurements : 52’ LOA, 14’7" beam, and a 3’5" draft with a 345 gallon fuel capacity.

• Special Note : Comprehensive 2025-2026 refit including fresh Awlgrip paint on the hardtop and a custom 3M White Aluminum Metallic hull wrap sealed with ceramic coating.

• Maintenance: Suncoast Volvo performed annual maintenance end of Sept 2026 All oil, filters and service checks were performed on main engines and generator. Inspected belts, impellers and pod drives. Technician said all looks perfect and like new

T his boat is open to co-brokerage. This seller has chosen to compensate a buyer's broker at 4% of the contract price.

Propulsion & Handling

Power is delivered by twin Volvo IPS 650 engines showing 473 hours, which provide the efficient performance and joystick maneuverability expected of pod drives.

• Mechanical Service : Engines, drives, generator, and air conditioning were professionally serviced in June 2025. Engines and Generator again in Sep. 2026

• Comfort & Stability : A Seakeeper 6 gyro significantly reduces roll while at rest or underway, while handling at speed is optimized thanks to the newly installed ZipWake E600 trim tab system.

• Bow Thruster for tight quarter maneuvering.

Electronics & Navigation: The helm stations are equipped with a modern Garmin suite designed for confident offshore operation. • Multifunction Displays : Dual 12” chartplotters are located at both the interior and flybridge helms, supplemented by autopilot and VHF.

• Situational Awareness : Includes a forward-facing night vision camera, a Garmin engine room camera, and radar.

• Connectivity : Starlink satellite internet was installed in July 2025, ensuring high-speed data across all three onboard televisions.

• Additional Tools : Features a Quick chain counter and a new horn installed during the refit.

Electrical & Comfort Systems: The comfort systems have received exceptional attention to ensure a premium experience in any climate.

• Generator : A Cummins Onan 13.5 kW generator with 886 hours

• Climate Control : The 60,000 BTU chilled-water air conditioning system, with ElectroSea system to prevent marine growth in the A/C lines.

• Power Management : Equipped with a 3600W inverter and a new bank of AGM batteries installed in Nov 2025.

• Maintenance Systems : Includes an ElectroSea AC strainer cleaner and a SpotZero system for pristine washdowns.

• Washer/Dryer Combo (Splendide) below the stairs to the forward cabins.

Galley, Salon, Interior Helm and Accommodations: The interior features an open-concept salon with huge windows that create a bright, inviting atmosphere. • Gourmet Galley : Siemens three-zone induction cooktop, Miele oven, Danby dishwasher, and Vitrifrigo refrigeration. Premium-grade Villeroy & Bosch cutlery, glassware, and dishes.

• Entertainment : 32" Samsung retractable TV in the salon with DVD player, and a three-zone JL/Fusion audio system upgraded with three amplifiers, three subwoofers plus high-performance speakers in the salon, cockpit and on the flybridge.

• Accommodations : The master suite is situated mid-ship, with a dedicated access stairwell from the salon to ensure total privacy; it offers a full-beam cabin with a custom vanity, plus ensuite head with superior comfort and head room. The two guest cabins forward share the second head. All of the 3 cabins are fitted with custom bedding. Finally the skipper's cabin with head (accessed from the cockpit) rounds up the count for a total of 4 cabins, 3 heads.

• Convenience : Includes an electric adjusting dining table in the salon.

• Interior Helm: The Helm Seating is convertible to face forward or aft in the salon, and the helm is fitted with the above-mentioned Garmin suite of navigation electronics. The side door adjacent to the helm to starboard makes docking a breeze.

Exterior, Deck, and Cockpit: The exterior spaces are designed for social interaction, featuring high-quality finishes and ample seating.

• Flybridge : In addition to the exterior helm with full electronics, the flybridge features Flexiteak 3 decking, a wet bar with grill, a fridge, and a high-gloss varnished teak table.

• Cockpit : Finished in natural teak with a massive social area, brand new ice maker, and an extending sun awning. This is also where the entrance to the skipper cabin is located.

• Joystick Controls: A third joystick controller is fitted to starboard in the aft cockpit for easy docking.

• Swim Platform : The hydraulic submersible platform includes adjustable stainless steel chocks for easy tender management.

• Foredeck : Features lounging cushions with adjustable backrests and excellent sun protection thanks to the custom-made canvas awning with stainless steel frame.

• Protection : The hull is protected by a 3M metallic wrap and ceramic coating, while bottom paint and zincs were refreshed in Nov 2025.

• 4 Underwater Lights

Safety & Anchoring: Safety systems are current and well-integrated to provide peace of mind for the captain and crew. • Ground Tackle : Features a Lewmar windlass with 300 feet of galvanized chain and a stainless steel Spade anchor.

• Safety Gear : Equipped with a first aid kit, carbon monoxide detectors, fire extinguishers, and current flares.

• Spare Parts: The yacht conveys with an extensive set of spare parts for your next trip to the Bahamas.

“Emotional Rescue 9” is a rare find that combines the popular Prestige 520 Fly platform with an exhaustive list of recent technical and aesthetic improvements. From the meticulous upkeep to the custom hull wrap and advanced stabilization, every detail has been addressed to ensure a premium experience for the next owner.

This vessel is ready for immediate cruising and represents a significant value compared to new builds or standard brokerage options. Contact us to schedule your private tour of this exceptional yacht.
