ABOUT

Motu

LOCATION

Oxnard, California, United States

The 2018 Prestige 520 Fly is a thoroughly modern yacht from the designers at Jeanneau/Prestige, with an interior by Garroni Design.

Outside, it has a large flybridge covered with a hard-top that has a helm to port, sunbeds to starboard, and plenty of seating around a table aft. Below, there is a spacious cockpit with a wooden table that is shaded by an awning, and a teak deck underfoot. Under that there is a crew cabin aft can be used as a fourth berth, or for storage. On the transom behind there is a sizeable BBQ, and a hydraulic swim platform that makes launching the included tender easy.

Moving inside, the cockpit flows right into the galley, and an airy and bright salon. A fold-out table to port can seat eight for dinner, while to starboard there is an inside helm with all electronics you need to set a course, and joystick controls to make docking easy.

Below decks, there is a full-beam master stateroom aft that is served by its own entrance. This has good headroom, lots of storage, and an ensuite head. At the forward end of the boat is a VIP with a double berth that can split into two singles, and a guest cabin with two singles that can convert into a double - how very French!

This boat has been fastidiously maintained, with an attention to detail that is evident everywhere: The oil changes are marked by date and engine hours; the batteries are labelled and dated; and the spare parts are plentiful and organized.

This is probably the cleanest Prestige on the market, and will survey very well.
