ABOUT

Oleta

LOCATION

Antibes, Provence-Alpes-Cote-d'Azur, France

OLETA is an exceptionally well-specified Prestige 520 Fly, combining elegant French design with practical Mediterranean cruising capability. Delivered new in July 2019, she presents in outstanding condition with low engine hours. Designed by Garroni, JP Concepts and Prestige Engineering, the 520 Fly is one of the most successful models in the Prestige range, offering an intelligent layout, expansive flybridge, and private full-beam owner's suite — all within a highly manageable 52-foot platform.

Her twin Volvo IPS 600 engines provide smooth, efficient cruising with effortless manoeuvrability thanks to triple joystick stations (main helm, flybridge, and cockpit). The addition of Volvo Dynamic Positioning System (DPS) further enhances handling confidence when docking or waiting on station.

Below deck, OLETA offers a three-cabin layout plus crew cabin, with excellent separation between owner and guest areas. The interior, finished in Alpi Grey Oak with Casamance Platine upholstery, feels bright and contemporary, complemented by large saloon windows that flood the main deck with natural light.

Above deck, the expansive flybridge features generous sunpads, a wet bar with grill, dining area, and twin helm seats ideal for entertaining and extended cruising. A hydraulic bathing platform and letterbox passarelle complete her practical Mediterranean specification.

Well maintained, highly manoeuvrable, and superbly equipped, OLETA represents an excellent opportunity to acquire a turnkey Prestige 520 Fly with low hours and strong market appeal.

Full specifications
