2019 Prestige 590S

Rare Flybridge + Sunroof Layout

Twin Cummins QSC 8.3 + Joystick

Turn heads with this rare and highly sought-after 2019 Prestige 590S, a stunning sporty flybridge yacht that masterfully blends the sleek styling of a coupe with the practicality and openness of a flybridge. Unlike typical models in the S-Line, this vessel is uniquely equipped with both a flybridge and an electric retractable sunroof, delivering the best of both worlds—open-air freedom and elevated cruising visibility.

This 590S features beautifully maintained real teak decking across the hydraulic swim platform, aft cockpit, forward cockpit, side decks, and flybridge, offering timeless elegance and a warm, natural finish underfoot. The well-appointed interior boasts three spacious staterooms and two elegantly designed heads, providing premium comfort and privacy for both owners and guests. The private master suite is generously lit and thoughtfully laid out, complemented by refined VIP and guest accommodations.

In the galley, a retractable window opens directly to the aft cockpit, creating a seamless indoor-outdoor connection and making alfresco dining effortless and inviting.

Powered by twin Cummins QSC 8.3 600HP engines with joystick control and a bow thruster, this yacht delivers precise handling in tight marinas—even in wind and current. The tropical-grade 87,000 BTU air-conditioning system ensures year-round comfort, fully integrated with the yacht’s intuitive Ship Control system for centralized management of onboard systems.

This Prestige 590S is turn-key ready and built to impress from every angle.

Please note: Fenders appear in exterior media due to a staging oversight – they were intended to be removed to better showcase the yacht's sleek lines.
