PRINCESS Y85 – 2020 – VAT PAID – HIGH SPECIFICATION We are proud to present this Princess Y85, built in 2020 and now offered for sale. VAT paid and available for viewings, she is a highly specified example of one of Princess Yachts' most successful large flybridge models.

Powered by twin MAN V12-1900 engines with approximately 1,300 hours, she combines strong performance with the comfort, space and versatility expected from a yacht of this size.

ELEGANT DESIGN, SERIOUS CRUISING CAPABILITY

The Princess Y85 brings together contemporary British design, generous interior volume and extensive outdoor living spaces. Large panoramic windows create a bright and open main deck, while the expansive flybridge, foredeck lounge and aft cockpit provide several independent areas for relaxing and entertaining.

Her interior is finished in gloss Walnut and offers accommodation across four guest cabins, including a full-beam master stateroom. The result is a yacht equally well suited to extended family cruising, entertaining guests and spending longer periods on board.
